Looking at Our Past ...

Thanks For

I, Joyce Bozworth, would like to take this opportunity to thank each person individually, that helped out on the yearbook and during my Senior year.

First, those persons on the staff:

Mrs. Striebel, our Helio Supervisor. She blended in very well for this being her first year. Thanks for all your help.

SENIORS: Laney Maugans, Typist. She was on the staff for four years and was a great help when deadlines came around. Thanks, Laney, for everything.

Mark Johnson, Sports. He put forth much effort to make the book a good one. Mark was on the staff three years. Thanks a lot Mark.

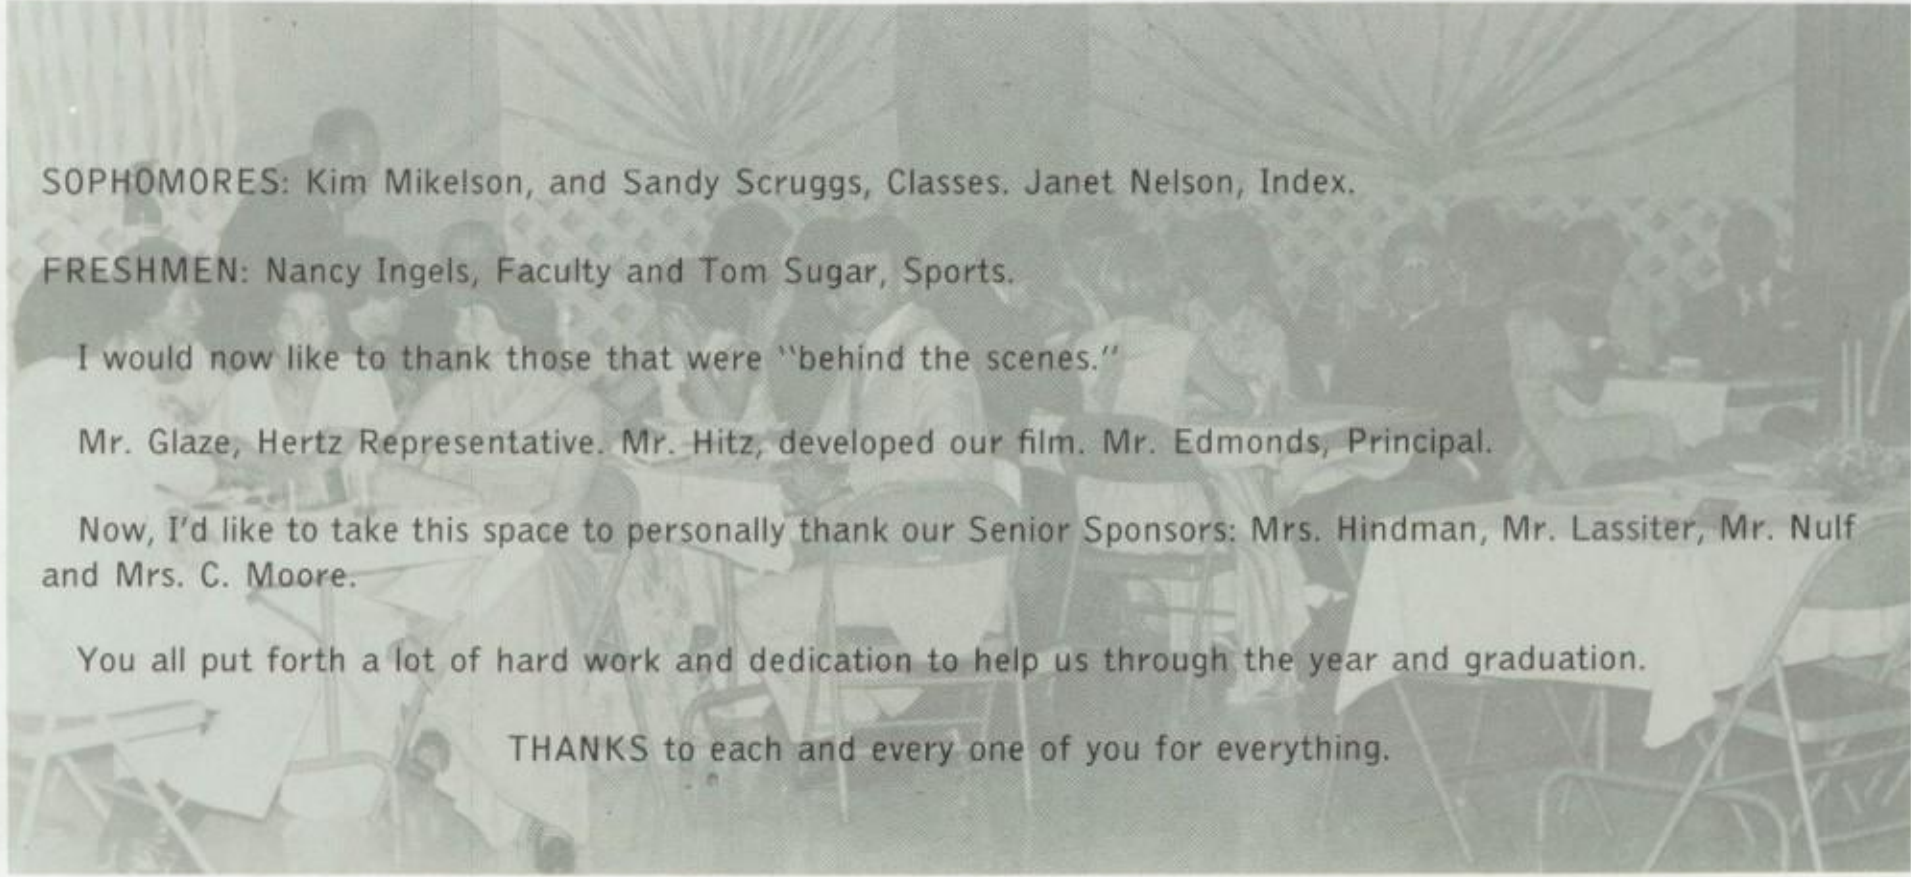

Ray Welge, Ads. He did a tremendous job of getting the ads organized and totally taken care of. He'd been on the staff for three years. Good job Ray, thanks.

Teresa Barnett, Senior Section. She wasn't with us during the second semester but yet she put forth herself and her time to complete it at home. She'd been on the staff three years. I appreciate everything, thanks.

Greg Stewart, Photographer. He was only on the staff for two years but he got the job done. Thanks Greg.

Rod Flint and Jim Wheeler, Photographers. They were each with us one semester. Rod first semester and Jim second, but it didn't seem to effect their work. Thanks for joining us guys.

JUNIORS: Tammy Lee, Activities. Tammy Trindle, Sports. Lucinda Delph, Student Life. Melody Alexander, Organizations. Brad Moore, Photographer. Mike Bigna, Academics. Mike, I hand over to you my title as Editor for the 78-79 Helio. Congratulations and Good-Luck-YOU'LL NEED IT!!!

SOPHOMORES: Kim Mikelson, and Sandy Scruggs, Classes. Janet Nelson, Index.

FRESHMEN: Nancy Ingels, Faculty and Tom Sugar, Sports.

I would now like to thank those that were "behind the scenes."

Mr. Glaze, Hertz Representative. Mr. Hitz, developed our film. Mr. Edmonds, Principal.

Now, I'd like to take this space to personally thank our Senior Sponsors: Mrs. Hindman, Mr. Lassiter, Mr. Nulf and Mrs. C. Moore.

You all put forth a lot of hard work and dedication to help us through the year and graduation.

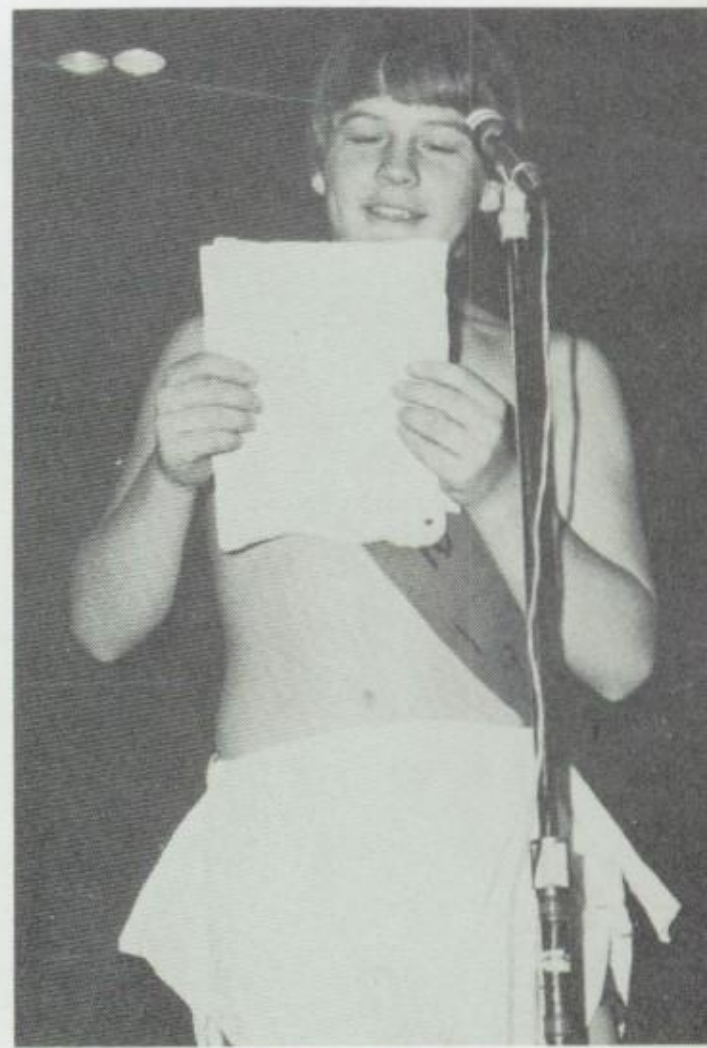

THANKS to each and every one of you for everything.

Everything

In the Beginning

In the beginnng there was 7th grade and a victory in the Ho. Co. basketball tourney. In the second year came pep sessions and New Year resolutions. Dawning with their third year, freshmen revealed new styles and new horizons. The fourth came in with hard classes and hard work! And now in their final years the Seniors have turned their gaze upon fullfilling their plans for a bright and promising future.

WINTER

Oh, what a winter! Buried in a blanket of snow, Taylor Township slept for almost a week. Business, schools, and social activities came to a halt as the blizzard of '78 raged on. The leftovers were drifts ranging from 10 ft. to 20 ft. high and a lot of snow to be shoveled. Snowpeople visited and snowballs were commonly seen flying throughout the air. But through it all we survived to see the wonders of spring arrive.

"It's The Bottom Line That Counts"

Congratulations '78 Grads

As you pass from senior to alumni, this you should keep in mind:

As high school doors are closing behind you, others will be opening . . . at work, in college or at home. Behind each, opportunity waits.

CLASS OF '78

Homecoming Spirit Never Dies

Homecoming was quite different from years past. First of all, the classes decided to have competition. Each hall was decorated with streamers, posters and balloons. Sophomores won for best hall. Each class also dedicated lots of time and talent in making floats; however, the Seniors float was the most colorful and original.

At half time, Jamie Tyler was crowned queen. Members of her court were: Seniors, Annette Underwood, and Laura Bradley, Junior, Kim Easterday, Sophomore, Angie Dalton, and Freshman, Mindy Peterson.

It was an Old Fashion Christmas for all who were there. From 8:00 to 11:00 couples laughed and shared with holly and mistletoe and presents under the tree; a perfect atmosphere in which to crown a queen. Laura Bradley was chosen with a bright, shining smile and crystalized tears, dancing to the music of "Promise;" dreams became real.

The tables were wrapped like presents with care; each couple knew Saint Nick would be there. Everyone looked to 1978. Ending '77 with a Christmas dance that was great.

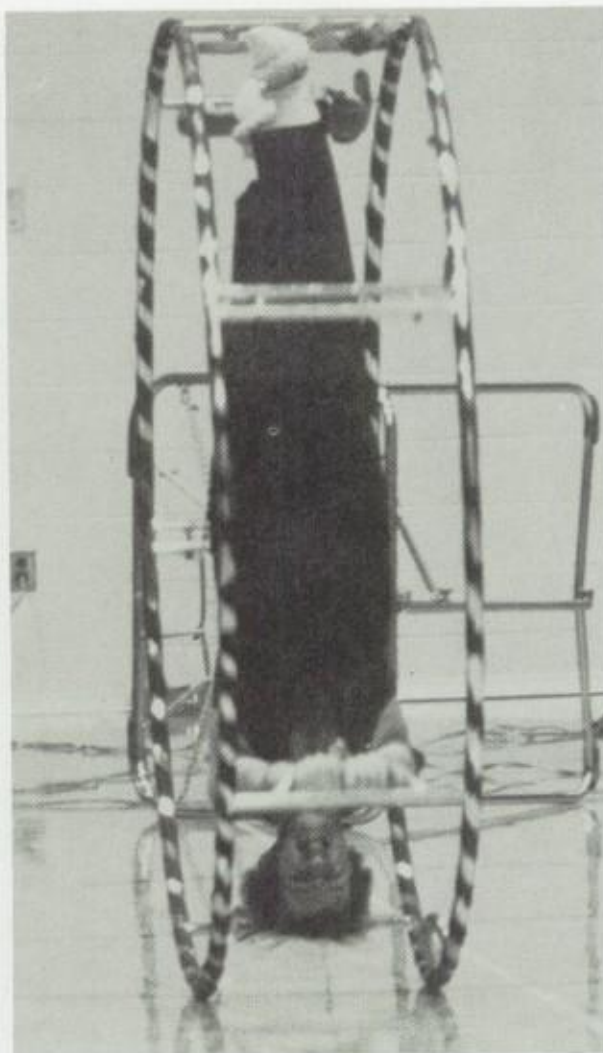

Members of Miss Titan's court were Tammy Long, Melody Meadows, Sandy Nicholes, and Dusty Quinn.

Snowy weather caused many convocations to be cancelled. However, the ones that were performed were enjoyed by all. The Air Force Band was the first convo of the year. They played Classical, Jazz and Contemporary music. The Rock Group (also part of the Air Force Band) came out playing easy listening and rock music.

The Hendersons were gymnasts. Each performed different stunts on different pieces of equipment.

Follies '78 changed a great deal. Instead of the usual one hour of class time, they were held at night. Therefore, the theme was "Opening Night." The acts varied from comical to serious, to hilarious. Many students participated by showing real talent, others who were not as qualified thought up skits, commercials, or anything else to get a laugh. One other major change was that parents and students from other schools were invited to attend at a \$1.00 fee. Thanks to the Taylor Students for making our "Opening Night" a night to remember.

k

International week consisted of a variety of activities throughout the whole week. On Wednesday all Foreign exchange club members had to speak the language in which they were skilled. If no Spanish or French language had been studied they spoke Pig Latin. Some of the students even dressed up like they were from a foreign country.

On Friday Taylor students were assigned an exchange student to escort around to classes to have them tell about their country. Friday evening a dance was held in behalf of all exchange students who were visiting with us that day. Everyone enjoyed the evening of dancing and laughter and many addresses were exchanged so new friends could keep in touch.

The Juniors dedicated the prom to the Seniors by entitling it, "This One's for You". The stage background was a rainbow of yellow and blue. Streamers of blue covered the ceiling and everyone danced to the music of "Midnight Brass".

Joe Beason and Annette Underwood were crowned King and Queen during the Intermission. Members of the King's court were Steve Chaffee, Tim Johnson, Terry Marler, and Tom Westcott. The Queen's court was: Sandy Bowser, Tammy Long, Laney Maugans, and Dusty Quinn. The evening began at 8:00 and ended at 11:00. Thanks to the Juniors for making "This One's For You" a success.

ATHLETIC BANQUETS

Athletic Banquets were to honor athletes from all various sports. The fall Banquets honored the spring sports.

The Titan Backers decided to add something a little different to the Spring Banquet this year. By using little statues they designated where each person was to sit by his or her sport. This made it easier to get to and from the awards table.

The cross country team had another fine season by matching the school record with an 11-3 dual meet record. They finished second in the county, MIC, and Western Invitational, and first in the Maconaquah Invitational. They also placed fourth in the sectional thus enabling them to advance to the regional. The three seniors, Kevin Huneck, the MVP; Ken Swinehart, and Rod Flint who have provided the leadership for the team will be missed although there are many fine young runners coming back.

Netters Finish 6-8

a b

The tennis team did much better than expected considering they only had two returning lettermen, as they fell just short of a winning season with a respectable 6-8 record. One of the returning lettermen, Chris Johnson was the No. 1 singles player and also the MVP. Dave Hillesheim, No. 2 singles player finished with the only winning singles record at 8-6. Kevin Franklin was the third singles player coming up with a record of 4-5. Coach Wise is looking forward to another good season next year since five lettermen will be returning and some good B-team players also.

Frosh With Most Impressive Record

a b

The freshmen had another successful season this year ending with a 5-3 record. They beat county rivals Western and Eastern. Leading them to their victories was Brian Ferguson, who topped all rushing records including almost half the total scoring, and Brett Needler, the quarterback, who put together an impressive thirty completions out of fifty-nine attempts with an average of sixteen yards. The defense did a fine job too, holding their opposition to an average of six yards a game. Overall, the freshmen had a better season than any of the other football squads at Taylor. Many of them should go on to help the J.V. and Varsity next year.

h

The young Titans were faced with the lack of size and experience and as a result, they ended with an 0-10 record. Although they couldn't come up with a victory, many of the young players gained valuable experience that could help make for a better season next year. The biggest disappointment was the lack of seniors and injuries. Outside of team performance there were many fine individual performances. For instance seniors Joe Beason and Steve Chaffee were voted for the first team on the all-county squad. Two other players received honorable mentions, both for defense. They were Ted Peters and Don England. Joe Beason was chosen Most Valuable Player.

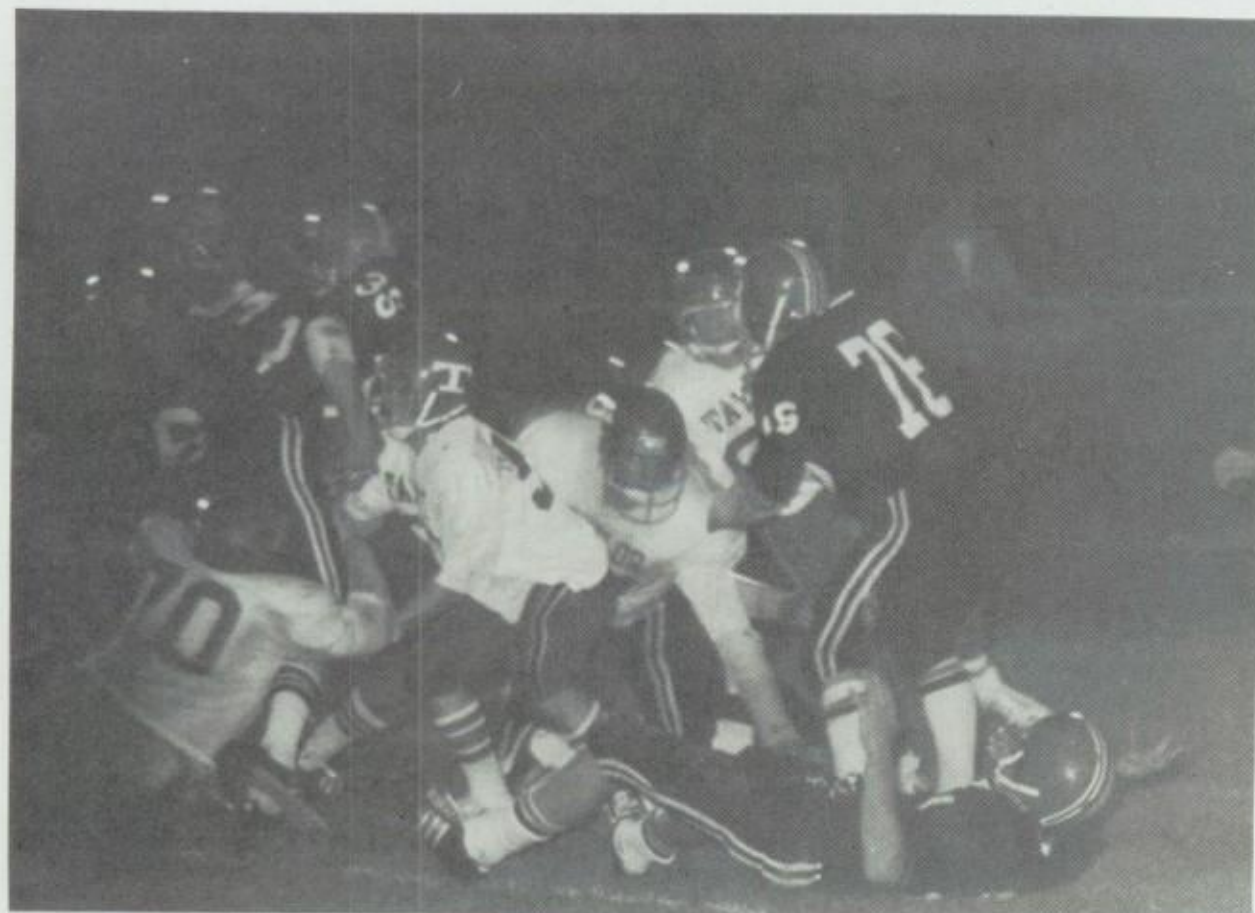

J.V. Ends Season 3-4

a

Coach Sam Herman and his junior varsity footballers didn't do too badly as they fell just short of the .500 mark with three victories and four losses. Some of the outstanding people were backs: John Johnson, Stewart Emore, and Ron Lasley who did most of the scoring. The outstanding linesmen were Glen Alexander, and Allen Adair. Offensive end Rick McIntire, also did a fine job. Many of these guys will be fighting for varsity spots next year and will face a big challenge of turning Taylors football program into a success.

a/ John Johnson runs around the left end. b/ Ron Lasley breaks one tackle and faces another one. c/ The Titans defense swarms the ball carrier. d/ Mark Ungar tries to get around the end. e/ John Johnson is grabbed from both ways. f/ Titan receiver reaches for the ball while being pursued by a defender.

Basketballers Fall Short of Goals

a

Coach Ken Freeman didn't have what it took for a winning season with four new starters with a lack of varsity experience. Despite the fact that the Titans were oversized by their opponents, they surprised many teams with their determination; thus, compiling a record of 7-13. The team will be losing five seniors, but will have many players who have gained valuable experience returning.

f

g

Coach Phares and his squad ended their basketball season with a respectable 9-8 record. The ball club was very young with no juniors on the team. The team was led by sophomores Chris Kemp and Ron Givens. These young men should be able to help next year's varsity team.

a/ Tom Chaffee takes his warm-up shots. b/ Chris Kemp shoots a ten-foot jumper. c/ Ron Givens shoots over the outstretched arms of the defense. d/ Brett Needler on a driving bank shot. e/ Titans show the thrill of victory. f/ Mark Roberts takes a jumper uncontended. g/ Brian Ferguson looks for the open man.

Frosh Conclude With Impressive Record

a

b

The freshman A-team was blessed with some height and good shooting which carried them to an impressive 8-4 record. Some of their memorable wins were against Haworth which they won 38-27, plus Eastern and Western, which they won on last second shots. The leading scorer for the team was Steve Laflin and the leading rebounder was Terry Gotshall.

The B-team record was not as fortunate as the A-team since they went winless out of five games; losing a couple of games by only one point and four games were cancelled because of bad weather.

a/ Roger Allison shoots a jumper from the corner. b/ Keith Larson seems to have the tip under control. c/ Tom Eades takes a driving jump shot. d/ John Huffman looks over the defense.

Seven Wrestlers Go to Regional

a b

The Taylor grapplers came up with an outstanding dual meet record of 12-1. During the season they were the champions of the Kokomo four-way, Columbus East four-way, and taking seconds in the conference and sectional. The two champions of the sectional were seniors, Kirk Eldridge and Joe Adair. The five runner-ups were seniors; Tim Johnson, Randy Foster, and Mark Cooper, and sophomores Mike Wheeler and Gary Knotts. All of these guys were then sent to the regionals where in the end three of them qualified for the semi-state. They were seniors Kirk Eldridge, Joe Adair and Mark Cooper. As you can tell the team was blessed with a fine group of seniors and they along with the rest of the wrestlers gave Taylor something to be proud of. Coach Ward seems to think that Taylor will continue to be strong with many young wrestlers returning. But it will be hard to replace the job the Seniors did.

Tracksters Fall Short of Goals

The Titan tracksters didn't reach their goal of placing one person in every event in the sectional and they only came up with a 2-6 dual meet record. Despite the fact they fell short of their goals there were many fine individual performances such as Kevin Huneck in the 880 setting a new school record with a time of 1:59; Rod Flint set a new school record in the 330 yard low hurdles, and Kevin Franklin broke his own pole vaulting record with a vault of 12' 11". The long distance runners scored the majority of points for Taylor and as a result two fine runners, Kevin Huneck and Mike Wheeler got to go to the regionals, where Kevin moved on to the semi-state. Much is in store for the tracksters next year with many returning lettermen.

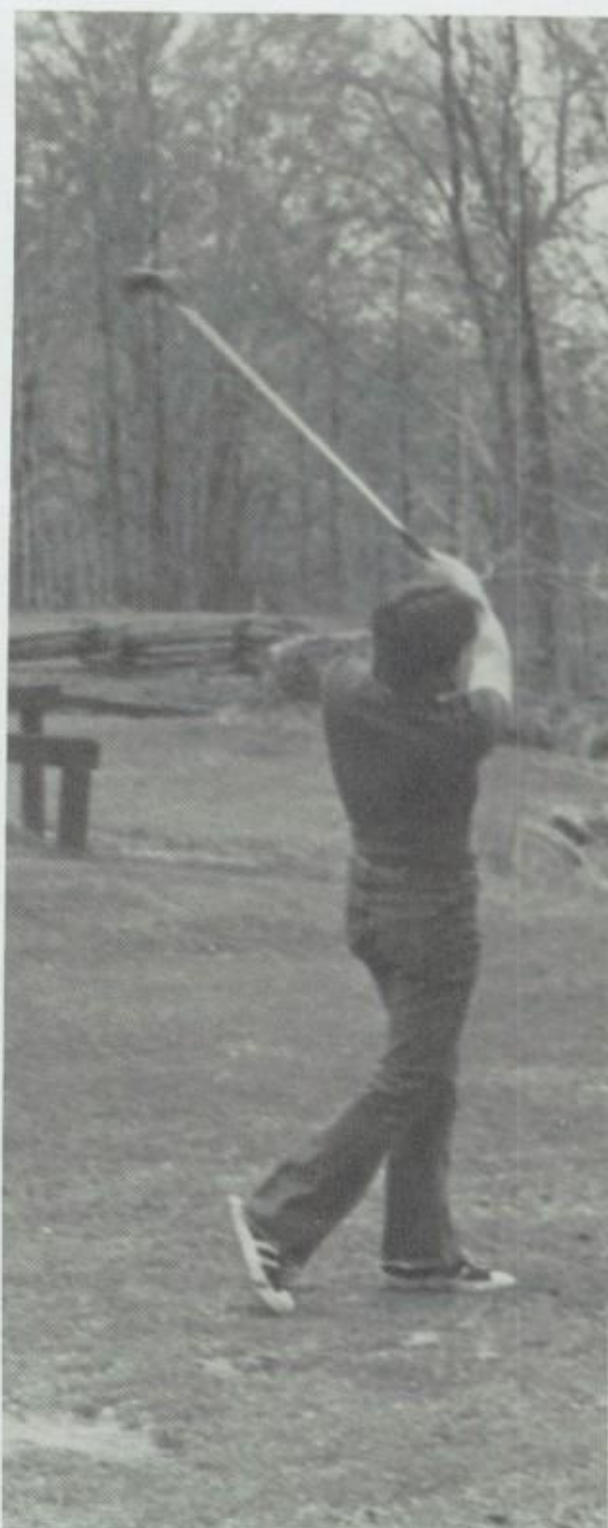

a/ Mike Wheeler stays with the pack. b/ John Johnson breaks the wire. c/ Mike Wheeler running in third place d/ Wheeler moves up to second place. e/ Kevin Franklin clears the bar.

Young Golfers Were A Few Strokes Too Much

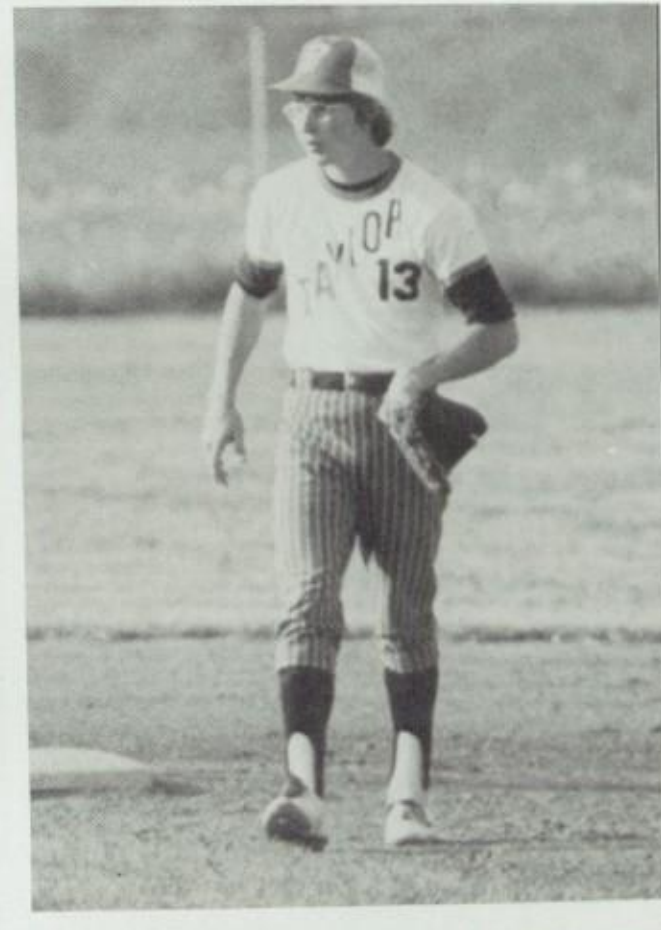

The young golf team not only was hampered with inexperience but also was faced with miserable weather conditions. They completed their season 4-8 but many of the matches were only lost by a couple strokes. Throughout the season they defeated all the county teams even Northwestern who ended with a record of 21-1. Next years team should be good as Jeff Wilson, who was medalist in the county tourney and MIC, plus this year's MVP, will be returning along with Greg Lorenz, Mark Hoover, Paul Willhite, and the others.

a/ Kyle Rayl keeps his eye on the ball. b/ Greg Lorenz with his smooth swing. c/ Paul Willhite chips it onto the green. d/ Mark Hoover follows through on his drive. e/ Greg Lorenz watches his ball sail.

J.V. Baseball Finishes With An 8-2 Record.

Coach Sheridan and his boys followed right behind the varsity's winning footsteps with an 8-2 season record and they were also Howard County Champs. Some of the top performers were Ron Givens who pitched his way to a 6-0 season with 4 shutouts and one no-hitter, Marty Sands and Ted Burke led the offensive attack with .520 and .444 batting averages. These young players should have gained valuable experience which will be needed to fill the vacant spots on next year's varsity team.

a/ Ron England awaits a hot smash. b/ Ron Lasley just waiting for the pitch. c/ Ron Lasley grabs one in right. d/ Brian Boyd fires it to first. e/ Ted Burke wonders what went wrong. f/ Greg Johnson comes sliding into home. g/ Ron Givens rears back and fires. h/ Kevin Green adjusts his hat to the sun. i/ Greg Johnson gets his lead while Kevin supposedly helps.

Titans Ranked 13th in the State

Coach Phares' baseball squad played one of the toughest schedules in the school's history. The Titans beat such teams as Eastbrook, ranked 13th at the time; Logansport, ranked 2nd; and other tough teams such as Marion and West Lafqyette, who were also ranked in the top ten. By defeating these team along with compiling a season record of 20-3, the Titan baseballers were ranked 13th in the state. This year the team accomplished two of three goals. There were Howard County Champs and M I C Champs being undefeated in both. Taylor was blessed with a fine pitching staff which carried them through most of their games, but it was consistent hitting that plagued them all season. The seniors on the squad will be dearly missed, and have set a reputation for the following teams to maintain.

a/ Brad Willis connects with one down the line. b/ Tim Johnson looks down the first base line. c/ Chris Johnson all set for a smash to third. d/ Terry Marler gets his lead. e/ John Ryan gives the signal to the pitcher. f/ Mark Johnson gets the signal from the catcher. g/ Rob Lindley stretches to get the ball in time for the out. h/ Steve Chaffee ready for the pitch.

New Techniques Improve Team

After trying different skills, improving practices, building strength, and increasing power, the 77-78 volleyball team began a new season. The varsity coach, Miss Cook, attended several camps during the summer and learned new skills and training techniques.

The season came out fairly well. Each game was played with pride and hard work, win or lose. The record for the Varsity was 4-7, and the record for the J.V. team ended up at 6-5.

After a tough decision, Janea Hood was named M.V.P. We are looking forward to next year's team, although losing three great seniors, but gaining "soon to be great" members.

c

The Girls' Tennis Team recorded their best record ever for this season. Practicing in cold, windy weather, the girls were ready to go. They went against a variety of tough teams. Coming out with a record of 4-6 for the year, the girls will be ready for next year, as they are only losing one senior. They elected Dawn Johnson as their MVP.

a/ Lynn Harland returns the serve. b/ Lynn Coates serves to the opponent. c/ Lynn Harland races for the save. d/ Lynn Harland and Lynn Coates team up for doubles.

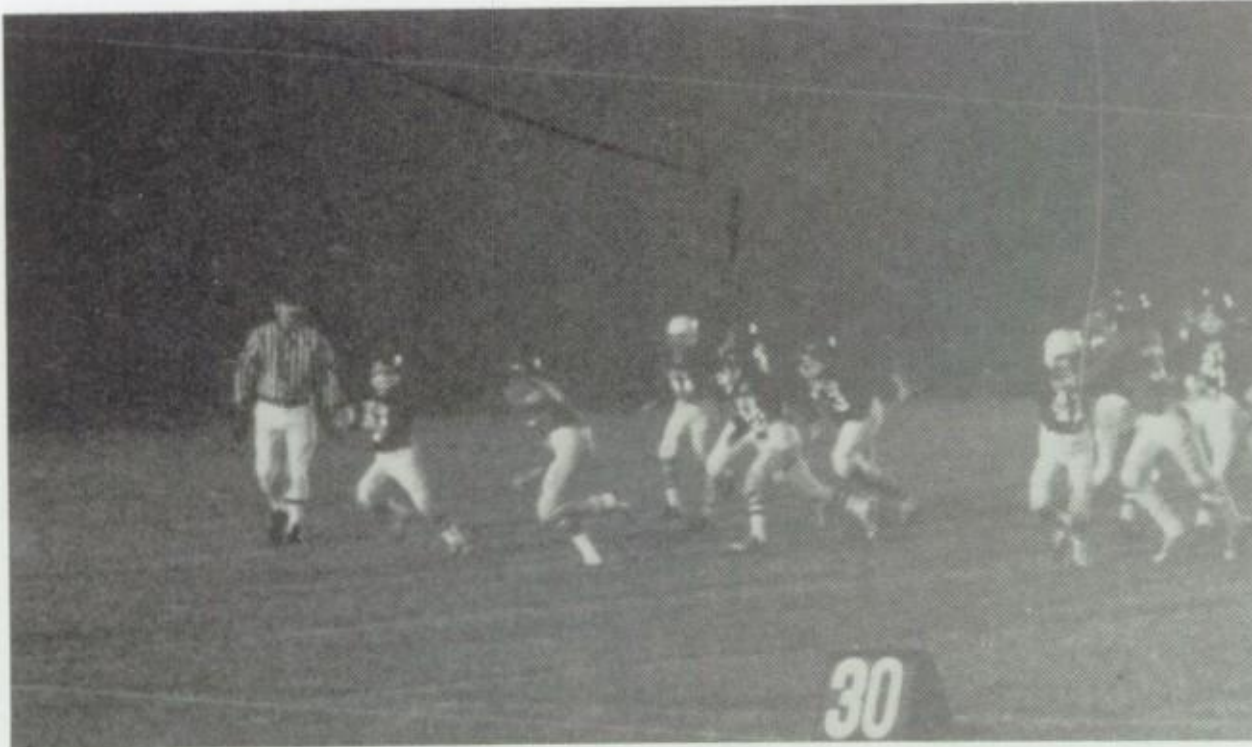

Seventh Grade Does Well

The young Titan football team ended their season with a 3-3-1 record.

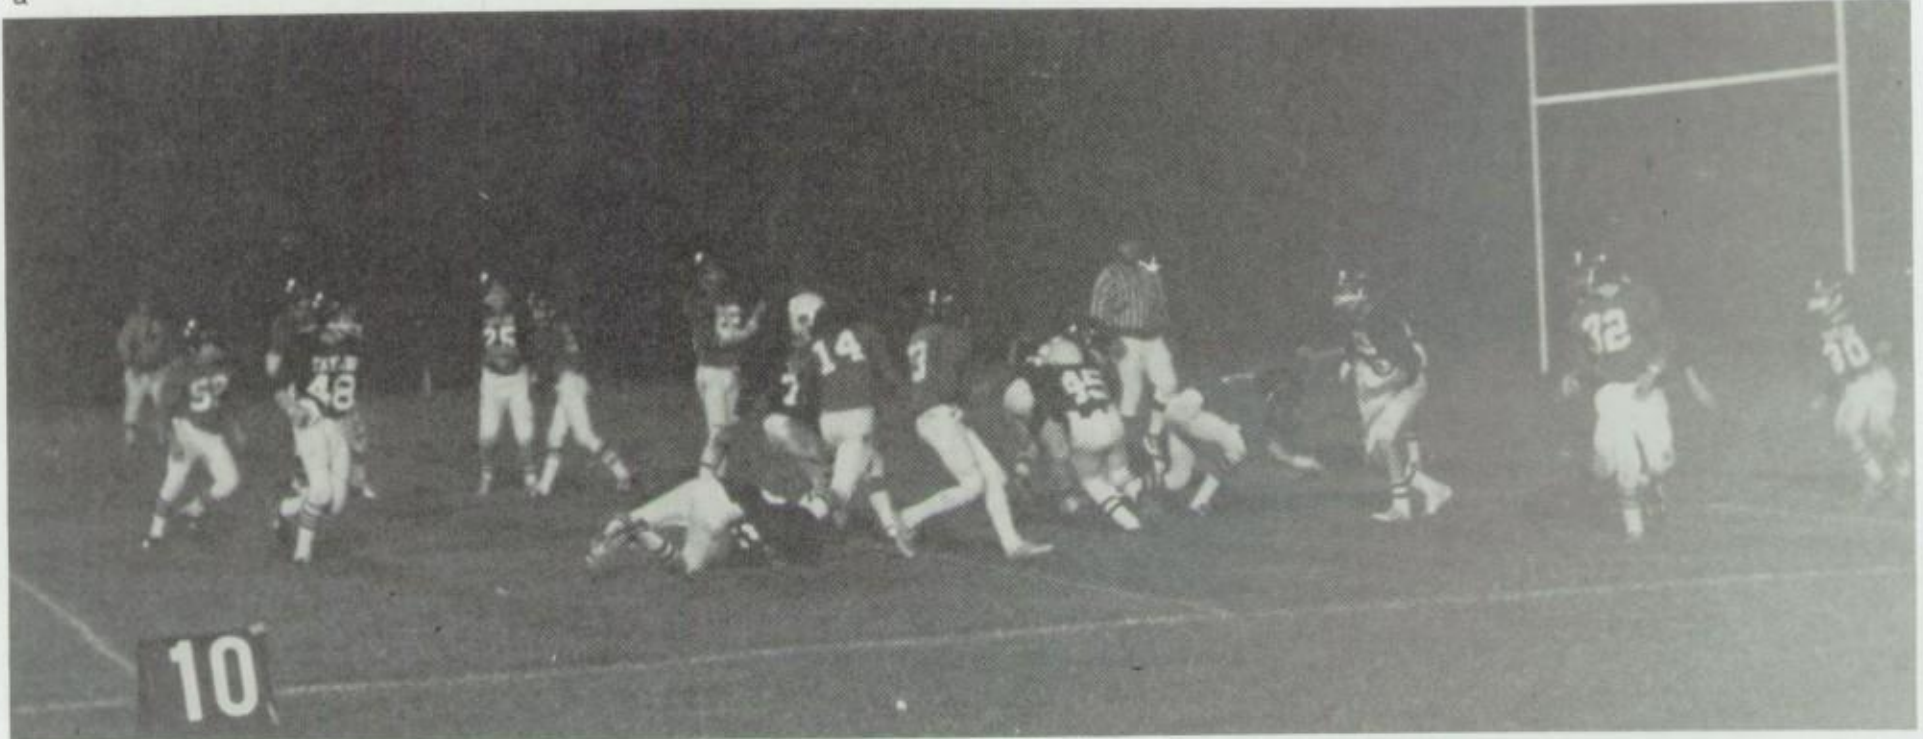

The team was led by the fine offensive performances of Dwayne Dunlap and Jay Wiley and the defensive efforts of Randy Corter and Tony Kanable, both making one hundred tackles each.

The Junior High coaching staff felt that the season went well and they are anxious to coach these boys as eighth graders.

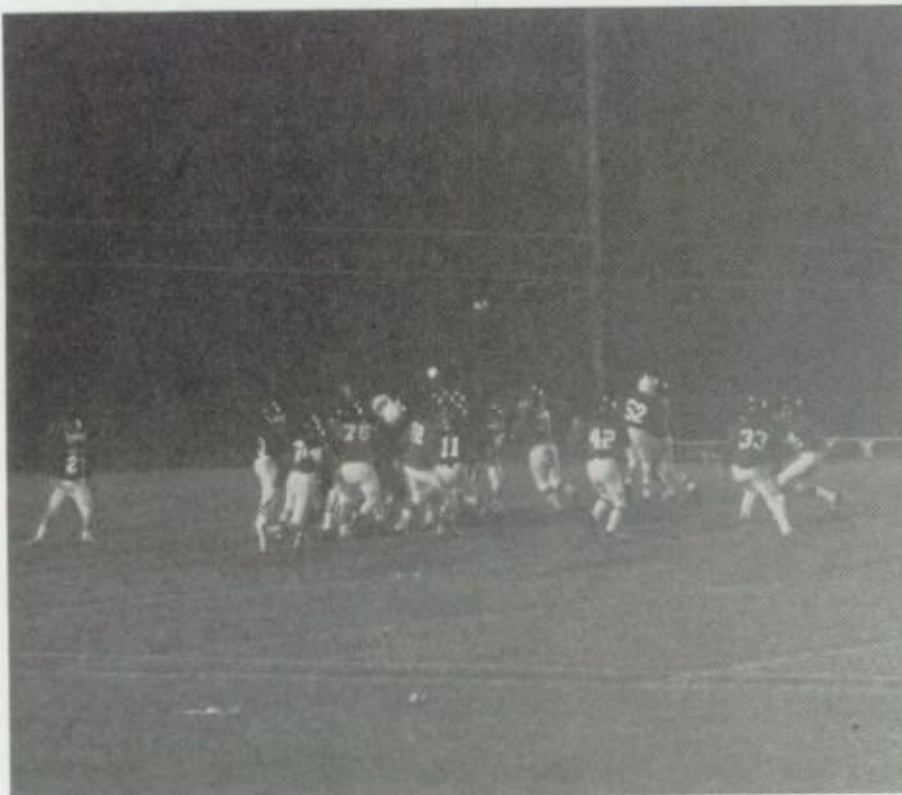

a/ A Taylor running back breaks outside. b/ Taylor's defense crushes their opponents. c/ The Titans use a pass play to gain yardage. d/ Another tackle is made by the Titans.

Gridders Have Disappointing Season

All of the boys on the eighth grade football team worked hard this year, but because of the lack of participation the season ended with a disappointing 0-7 record. Even though the season did not end well, the boys still gained valuable experience which should be a key factor in their success as freshman.

a/ Titans stop their opponents drive. b/ Taylor running back gains yardage despite the efforts of the King defense. c/ A Taylor defender cuts a King run short. d/ Titans punt out of trouble. e/ Taylor defense follows opponents play.

Titans Capture County Championship

a

Mr. Keck's seventh grade basketball team highlighted their ten win two loss season with their first Howard County championship. The team's top players were Dwayne Dunlap, Bobby Ritchie, P.J. Chaffee and Kent Henderson. All of the boys worked hard all season for their tourney win and with hard work next year they could make it two in a row.

Class of '82 Has Winning Season

The Class of '82 finally snapped their two year losing streak through the dedication and talent of this year's basketball team. The team posted a 7-6 record as the season came to a close.

Coach Peterson was very pleased with the performance of Brian Roberts, Jimmy Hillishiem, Mark Lasbury and the rest of the team. He expects them to have another successful season next year.

a/ The class of 82's best. b/ Brian Minglin uses all of his senses to beat his opponents. c/ A young Titan shoots over two opponents to score. d/ Titans strive to control tip. e/ Taylor guard shoots a fifteen footer.

Harriers Have Tough Season

The Junior High Cross Country team had a tough season this year, suffering an 0 and 3 dual meet record.

The team's coach, Mr. Atkins, felt that the boys exhibited good attitudes throughout the season and with added growth and experience they could become some of Taylor's finest runners.

The team's top runners were William Patrick and Ron Gamble, both eighth graders, and Glen Moss and Billy Mason of the seventh grade.

a/ The race begins. b/ Ron Gamble and Mark Lasbury run side by side. c/ Jim Humphrey runs alone. d/ William Patrick leads the Titans. e/ Tony Mossholder runs hard.

Golfers Rained Out

Tracksters Prove Themselves

a

Much talent was shown by the seventh grade track team, although their 2-6 season record did not reveal it. Ted Prater, David Welge, and Mike Walker all showed much promise in their respective events. With more experience and training, all of the boys should put together one of Taylor's best eighth grade teams.

The eighth grade track team continued to have problems this year as their 0-8 season indicated. William Patrick, John Young and Brad Minglin were named as being the most valuable to the team. Even though the team went without a win all season, much individual talent was displayed which could contribute to better Varsity and Junior Varsity teams next year.

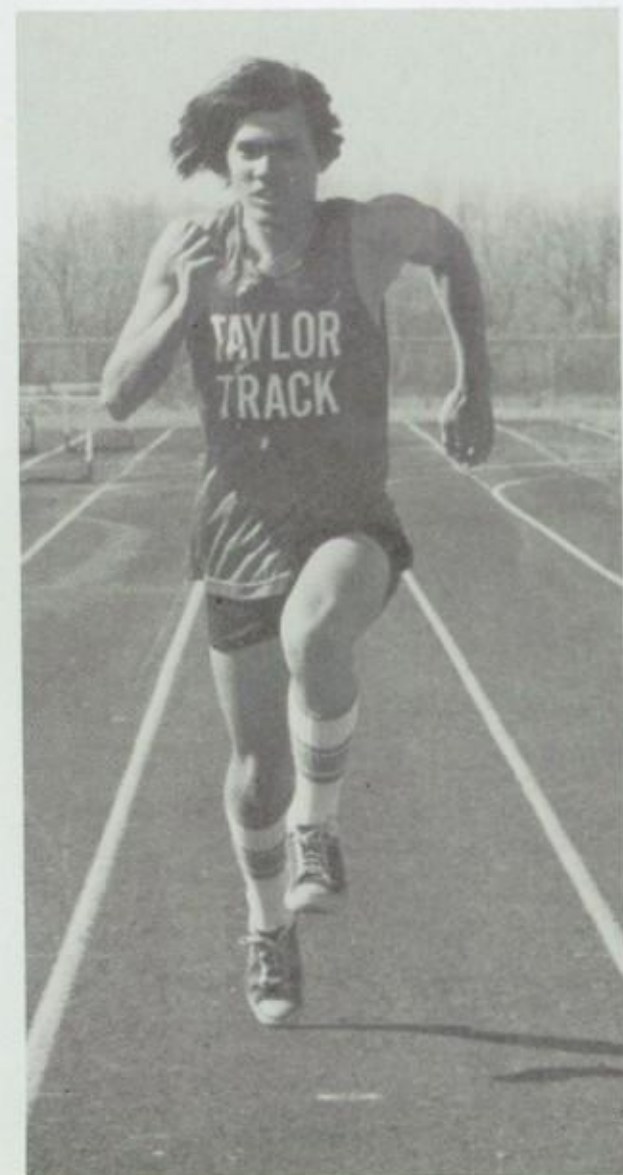

c

This year's seventh and eighth grade girls' volleyball teams both ended the season with four wins and four losses. The seventh grade coach, Miss Higgins, and the eighth grade coach, Mrs. Pettay were both pleased with the performances of their girls.

Janet Jameson, Christine Essington, Christy Gabriel, Sue Long, Missy Addison, and Jill Paine were named as the outstanding players of their seventh and eighth grade teams. All of the girls will contribute greatly to the junior varsity and eighth grade teams next year.

a/ Christy Gabriel is serving to her opponents.
b/ Jill Paine strives for the return. c/ Sue Long sets up for a point.

Seventh Grade Goes Undefeated

Mrs. Cook's seventh grade girls basketball team showed much talent this year as they went without a loss all season. Susan Givens, Janet Jameson, and Sue Cummings were the top players during the season.

Mrs. Pettay's eighth grade girl's finished their season with a 1-2 record. The most valuable players for the eighth grade were Denise Goudy, Kelly Partlow and Barbara Lamb. All of the girl's worked as a team and showed much improvement.

Even though the girls' seasons were cut short due to the energy crisis they still showed a lot of talent and they all will be major assets to Taylor in the future.

a/ Titanettes sky for tip. b/ Taylor opponent attempts a fifty footer toward the wrong goal. c/ Titans and opponents stage rumble over loose ball. d/ Nancy Nichol jumps high for a lay-up.

Taylor Adds Two New Industrial Arts Sections

h

Two new Industrial Arts sections were added onto Taylor High School this year. The sections gave the Industrial Arts students the much needed extra space, and the Automotive Engineering section features the latest modern diagnostic and repair equipment available. The students themselves work in electricity and printing and also work with different media ranging from metals to plastics to woods. These classes were designed to teach trade skills to the students for future use.

The science classes, however, had nothing new to boast; even the science students kept their level heads and will to work. Both junior high and high school students applied known theories (and made up a few of their own) to explain the problems given to them.

a/ Jim Hillisheim, working diligently in his seventh grade industrial arts class, grins for the photographer. b/ Engineering Drafting requires much concentration as John Malkoff "draws" much knowledge from this course. c/ Terry Curella is helped by his fellow students while laying the foundation for his model home for his Building and Construction class. d/ Jim Keck gets his equipment together to build an electric motor. e/ Kenny Foster put everything together just as his Electronics text says. Now if he only knows which switches to throw . . . f/ Joyce Umbarger and Mark West-erfield "pour it on." g/ Seventh grade science requires as much reasoning as it does experimentation. Here, Jim Humphrey and friends try to decide what is influencing what in their "flywheel" experiment. h/ Mike Bannon will find that what he is now observing will be the basis for his future High School Biology and Chemistry classes. i/ Experimental Design is where Paul Wilhite, Kim Easterday, and Pat Baer learn the correct procedure for handling bacteria.

Art Show a Success

The Art Department added its usual unique touch to Taylor once again. Christmas Decorations and the annual art show provided an outlet for the art students to show off their talent. This year's art show was enhanced by the fact that it was displayed in the new art studio built over the summer. The new art section added more classrooms and gave students more space to work on their projects.

Senior Prophicies

Mike Blackburn will sell sugar-coated cherry bombs to 7th graders who like to shoot off their mouths.

Sandy Bowser will replace Will Geer in the role of Grandpa Walton.

Kyle Rayl will invent a car that runs on Jello. These cars will come in orange and other assorted flavors.

Terry Marler will surpass Lindbergh's record by flying non-stop from New York to Paris, without a plane.

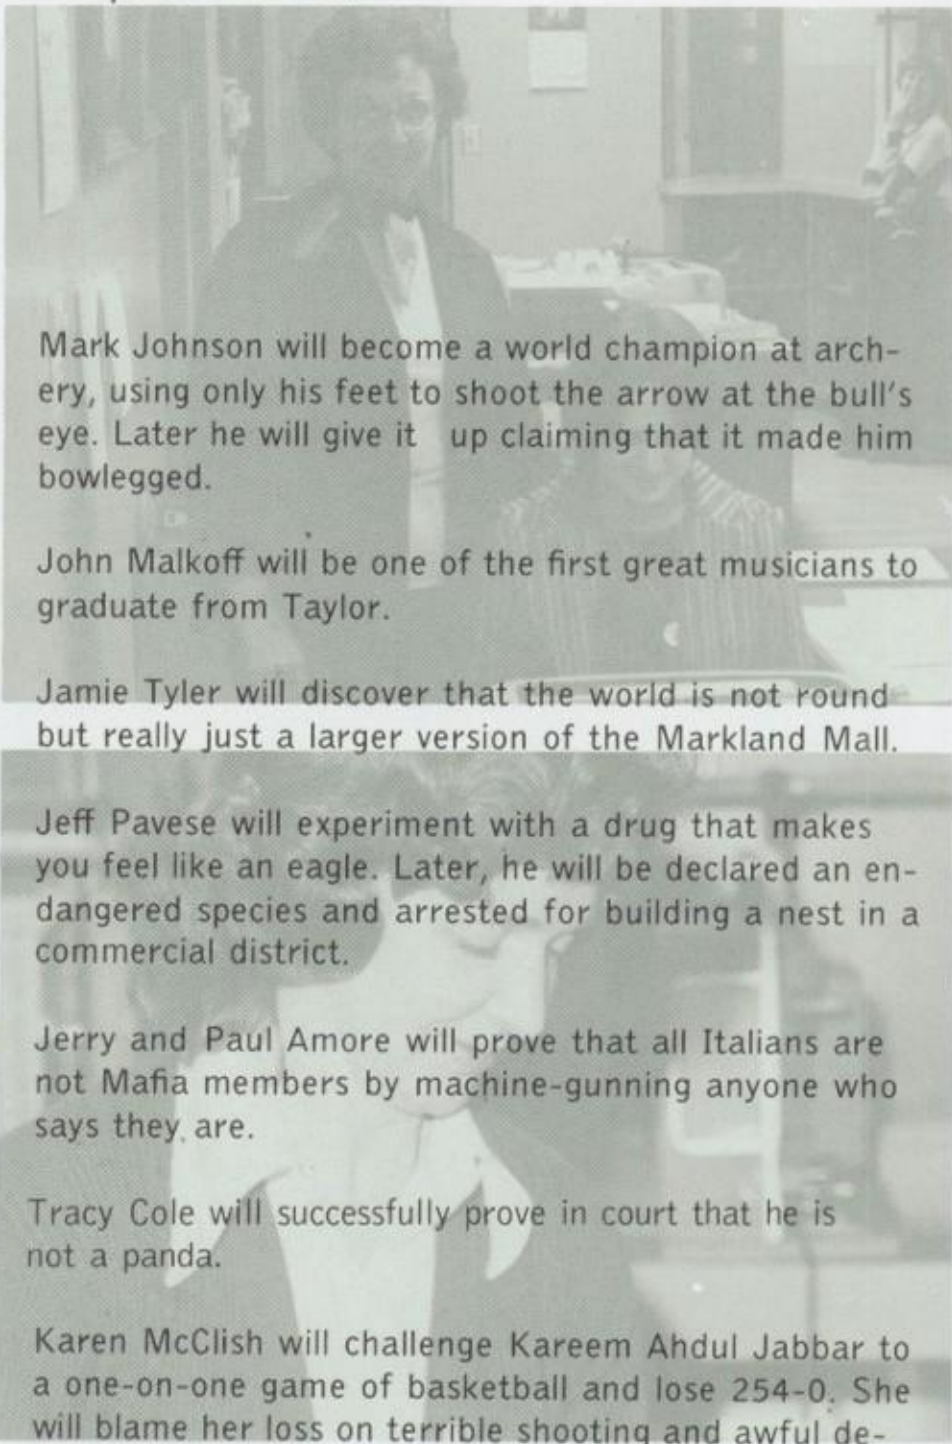

Vickie Phipps will prove that the potato is actually a fat, lazy member of the insect family.

Joe Beason will be the first major league baseball player to graduate from Taylor.

Kim Smith will open a swimming pool for alcoholics called "Dunk a Drunk".

Matt Frazier will prove that eating ice cream can be messy if you eat the cone first.

Terry Worthley will raise sheep and start a chain of stores called Wool Worthley's.

Mark Johnson will become a world champion at archery, using only his feet to shoot the arrow at the bull's eye. Later he will give it up claiming that it made him bowlegged.

John Malkoff will be one of the first great musicians to graduate from Taylor.

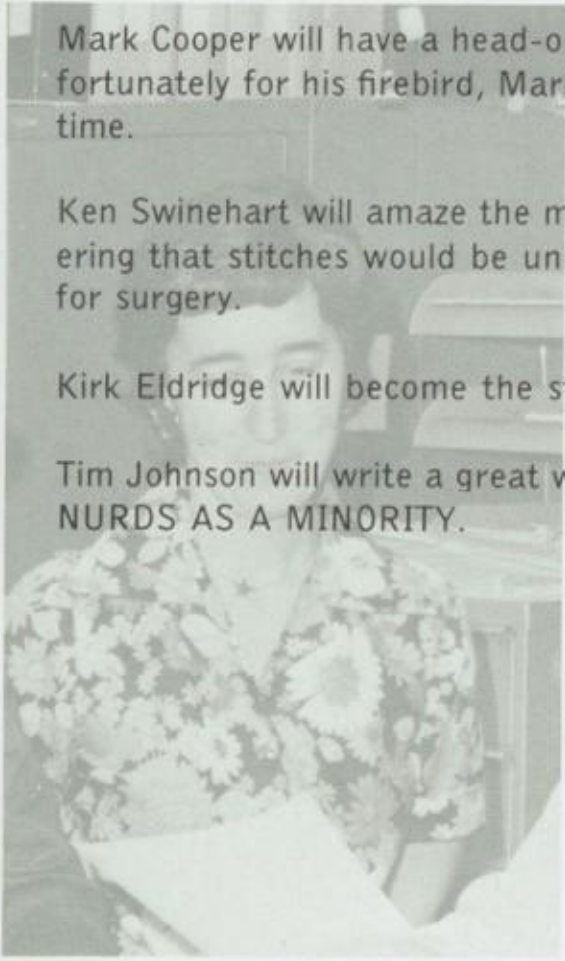

Jamie Tyler will discover that the world is not round but really just a larger version of the Markland Mall.

Jeff Pavese will experiment with a drug that makes you feel like an eagle. Later, he will be declared an endangered species and arrested for building a nest in a commercial district.

Jerry and Paul Amore will prove that all Italians are not Mafia members by machine-gunning anyone who says they are.

Tracy Cole will successfully prove in court that he is not a panda.

Karen McClish will challenge Kareem Ahdul Jabbar to a one-on-one game of basketball and lose 254-0. She will blame her loss on terrible shooting and awful defense. She will also claim that she should have used her height to greater advantage.

Mark Cooper will have a head-on collision with a truck, fortunately for his firebird, Mark will be on foot at the time.

Ken Swinehart will amaze the medical world by discovering that stitches would be unnecessary if it weren't for surgery.

Kirk Eldridge will become the star of the Muppetts.

Tim Johnson will write a great work in sociology called, NURDS AS A MINORITY.

Under new supervision, the Helio Staff picked up the pieces for a new start. Last year's sponsor moved and Mrs. Striebel found herself confronted with a strange school, new students, and a yearbook to produce. Soon the atmosphere of the class was at ease and production slowly began to progress. Staff members struggled to get pictures and strove to meet the dreaded deadlines. Editor-in-chief, Joyce Bozworth, endeavored to construct the best yearbook ever, and to combine the new ideas of all the staff members to give the book a brand new look. Hopefully every student and each faculty member will be proud to say "THIS IS MY YEARBOOK!"

History Club Goes Out of This World; Canadian, Disco, Fun!

Each year the History Club takes a trip over spring break. Early on Monday morning the bus was loaded and on its way to Wapakeneta, Ohio. The Neil Armstrong Space Museum was the first stop. Then on to the Toledo Zoo and the stop for the night. After arriving at the Detroit Metro Airport Ramada Inn, a costume Pizza Party and swimming were available. The next day began with a tour of the Henry Ford Museum, a tour of the Cadillac Plant and finally the cross into Canada. The final afternoon was concluded by a tour of the Stroh's Brewery and free time. After three days of fun and little sleep, the group of kids was worn out. The five hour ride back home seemed to be the perfect time to relax and catch up on some shut eye.

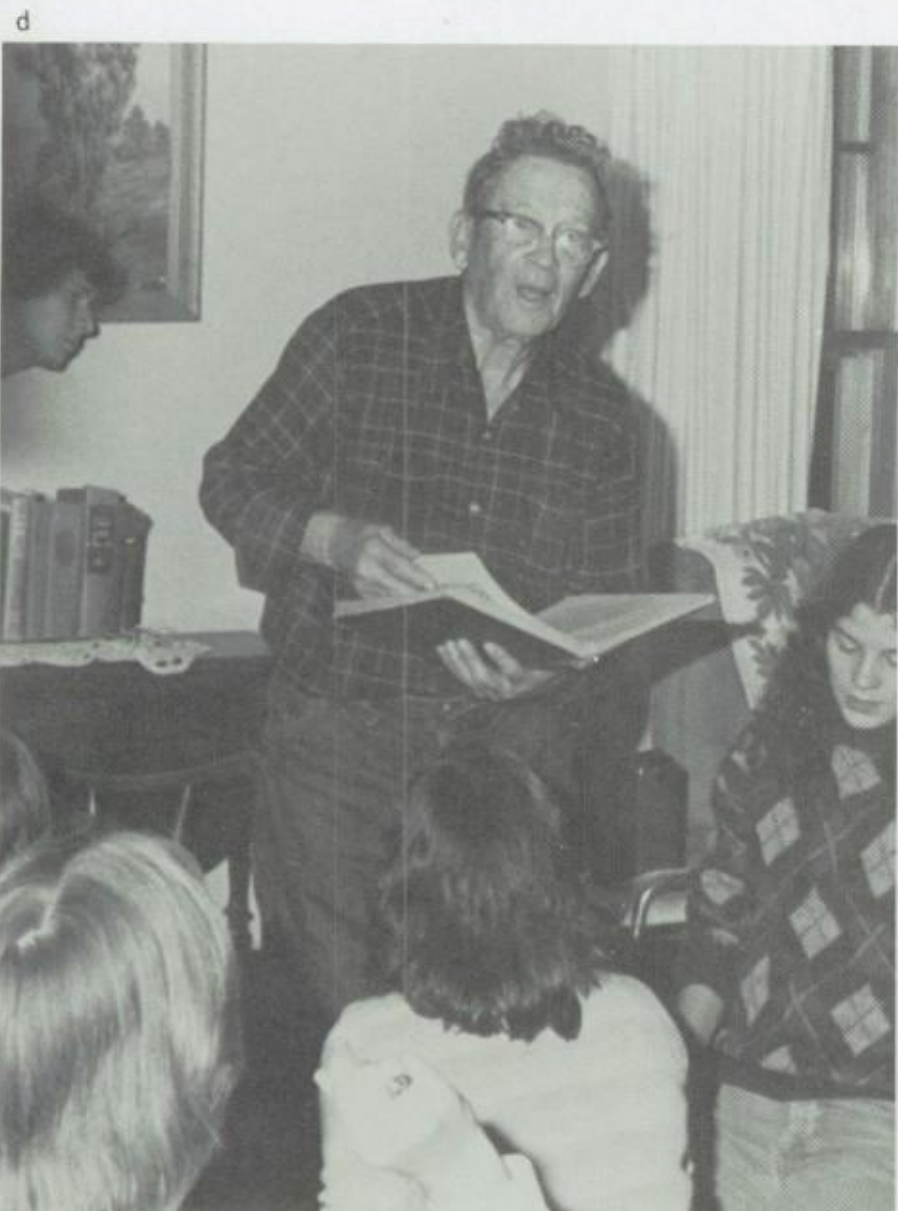

The Art Club was busy putting their imaginations to work all year round. The students have enormous talents that were put to work around the school. At Christmas, the lobby windows were covered with cheerful seasonal drawings. Their bright, colorful paintings brought life to the drab school atmosphere of the students.

History Club = Success

F.E.C. Sponsors Students

Each year the Foreign Exchange Club takes upon itself to aid one or two students that wish to go abroad. Last year their task was set before them. Several students took interest in the Foreign Exchange program and wanted aid from the club. So, as the year began, work projects started.

The idea of selling plants, as in the previous year was abandoned. The traditional candy bar selling was undertaken once more.

The disco on Foreign Exchange Day also proved to be very profitable. The gymnasium was packed with dancing foreigners and their guides.

The kids worked together as a whole and came out on top. The year was a success!

In previous years, the Spanish Club has always been a small club. Last year more students took interest and joined in on the fun. A prerequisite for joining the Spanish Club is to have taken Spanish or to be taking Spanish; therefore, all of these kids have one common interest—Spanish. The members sold candy bars to raise money for the club. In April, the group took a Saturday and went to Chicago for the day. The day included a long ride, visits to museums, and dining in a Spanish restaurant.

President, Bob Tolan, Vice President, Cindy Gotshall, Secretary, Joyce Umbarger, Treasurer, Teresa Beers; Sponsor, Mrs. Henderson, and the French Club members worked very diligently to make the year a success. As a result, the club had very rewarding profits. The earnings from candy bar sells and other work projects were applied toward the expenses of the club members that were going abroad.

Meetings were held once a month. A guest speaker came to talk about his adventures and to show his slides. Other fun events included: A Christmas party, a scavenger hunt, and a cheese and cracker tasting party.

The year was great despite many complications. Each student was Proud to be a French Club member.

Student Council Sponsors "Spring Follies"

The usual job of the High School Student Council was to plan the convocations and other activities for the student body. The combination of snow days and the coal strike soon revealed complications in planning those activities. All scheduled convocations had to be cancelled, because the students could not afford to lose more precious class time. When the time for "Spring Follies" rolled around, there was a question as to whether or not it should be held during school. Some even questioned the use of the performance at all. Finally, the debate was settled. The "Spring Follies" was held on a Friday evening. The Student Council then realized that all the work was worth every bit of the pain. The tradition of Taylor High School, The "Spring Follies", was kept alive to stay alive, forever.

The whole atmosphere of a new school was wonderful, yet baffling to most Junior High Students. Everything was different and confusing to them. The Student Council was introduced to them as the school year began. Many pupils just happened to stumble into Mr. Grossman's clutches. The kids did not know what the council was about, but they just wanted to be involved. Learning came quickly as work began and the fog began to lift. The members could see their task clearly; they were representatives of their class. Through each representative, the student body could express its views and could make changes in the school. New experience was gained as some members graduated to the High School Student Council.

Like each year before, the national honor society initiated 45 new members into the organization. In order to be accepted into the N.H.S., each candidate possessed certain qualities. He must have had the power to lead. Other fellow classmates looked up to these leaders and began to follow the path that was set for them. b

The Home Economics Club matured greatly last year. Although in years it was still a baby, it made its mark in the school. Mainly, the club catered to different banquets throughout the year. The National Honor Society reception was presented by the Home Ec. Club; not too long after, the reception for Foreign Exchange Day was given. The Club worked very hard, but, with all girls, there was also time for play. The girls had many fun times together, including a slumber party. All in all, the club had much to say for itself and much to be proud of.

The Jr. High Home Economics Club had a new sponsor last year. The Home Ec Department kept growing and growing until an addition of teachers was needed. Mrs. Blume

HEALTH ... CAREERS

Onlooker distributes school news

The Onlooker Staff was a very respected organization in the school. The members of the staff collected data from interesting subjects concerning school and its surroundings. The school newspaper contained everything from class gossip to the sports section. There was a variety of subjects in each paper; therefore, each reader was satisfied by some angle of the paper. Chess Club places ninth

A new and active organization added to Taylor's long list was the Geology Club. Started under the supervision of William Rebuck and James Grossman, the Geology Club accomplished many educational outings. Among these were mineral expeditions and a trip to Wyandot Cave.

The Taylor High School Chess Club managed to place ninth in Howard County at the Sycamore Team Chess Tournament. Under the direction of Charles Rose, the Taylor Chess Team spent many grueling hours concentrating on the basic chess skills.

Titans keep marching on ...

Mr. Stutsman and Mr. Coomer, like Mr. Rose, received students at the seventh grade level. Many of these pupils would continue in band throughout the remainder of their high school years. Such a long working relationship gave a chance for personal friendship to grow in the six years.

The different bands performed different types of music; the pep band played for football and basketball games; and the bands entered contests. The bands also usually display their skill at fish fries but were unable to do so because of inclement weather conditions.

Thespians Perform Traditional Fall and Spring Plays

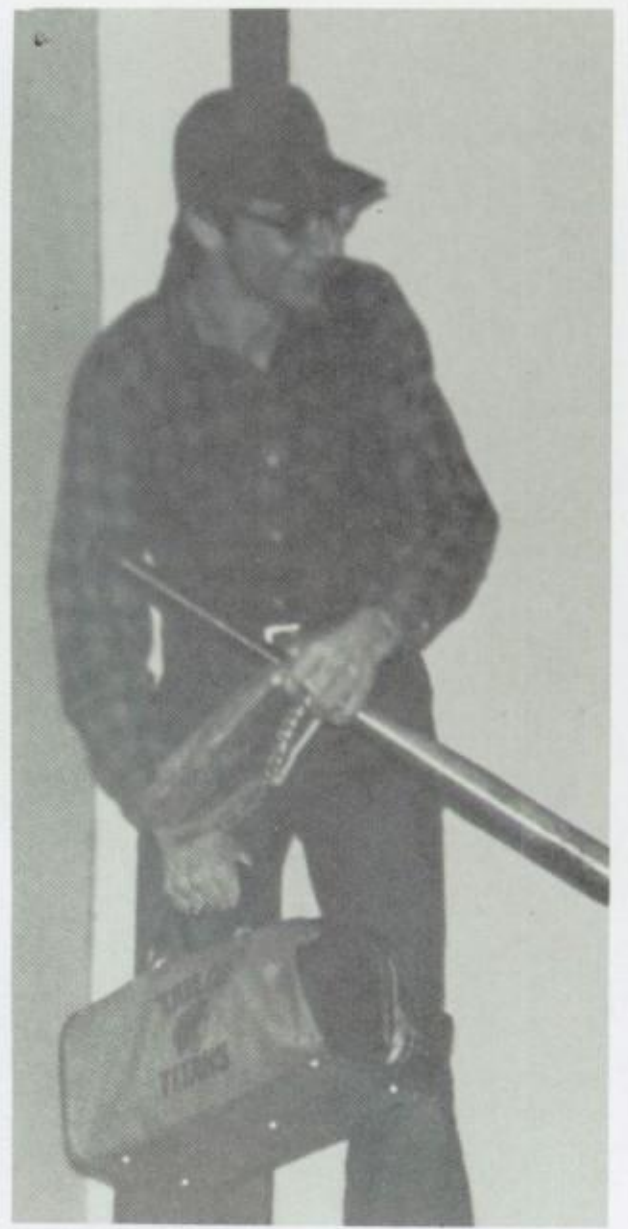

Thespians began to work on their first play soon after school commenced. Members of the organization were either interested in acting or in some way helping with the stage or props. Miss McVicker and Mr. Wilson stayed after school many nights to help organize the group. Everyone spent many free-will hours practicing for the final performance. "It Takes a Spy to Catch a Thief" was no sooner presented when the Thespians began to work on "Sherlock Holmes First Case". They also displayed their skillfulness and agility at football games during the prelude and half-time. The Indiana State flag and the United States flag were honored before each home game by the color guard and the cheering crowd.

Teachers Light Up Our Life !

a

c

So many nights, we'd be bored to death.
Nothing to do, but stare out the window.
So many thoughts, we've kept deep inside us.
Alone in the dark, but now they've come along, and
They light up our life.
They give us quizzes, tests and homework.
They light up our day and fill our nights with study.
As kids at play, having fun in the park.
Could it be finally, they're turning for home.
Find them a chance, to say "Hey, I'll do it."
Finish my homework, and pass that test.

The Class of '79 has always had a great amount of pride throughout their high school years.

Their Junior year was no exception. The Junior pride and spirit won Doc's Joc's a powderpuff game against the Seniors.

Again, Junior pride struck, after a lot of time and hard work the Junior's Titan Locomotive placed second in the arch-building competition.

They exceeded their own goal of five thousand dollars in magazine sales and top salesman celebrated at Noble Roman's.

Whatever the Challenge set before them the Class of '79 will keep on keepin' on!!

For the Class of '79, Joyce Umbarger is secretary, Pat Baer is president, and Liz Thompson is vice-president.

During one of those close, hot games when your throat was dry from screaming, or your stomach was grumbling for popcorn, how did you get relief? By the Junior Concessions, of course.

The Junior Class sold concessions at the home basketball games. The money earned was put in the treasure and later used for the prom and other activities. The class members teamed together to make the concession stand a success.

"Who says money can't buy happiness," exclaims Scott Cole, Mike Bigna, Pat Baer, Lucinda Delph, and Ted Burke.

This was a great year for the class of '80 when it came to showing spirit. Homecoming week was their finest hour.

After a long hard, "bone-crunching" powderpuff game, the Sophomore Super Stars came out on top, defeating the freshmen 28-13. Those "sexy", "over-stuffed" sophomore cheerleaders played a large role in the victory by arousing enthusiasm with their "wondrous" cheerleading abilities.

Following the freshmen-sophomore game came the crowning of the 1977 powderpuff king. This royal honor went to sophomore, Chris Kemp.

Also during homecoming week, the sophomores won the hall decorating contest. With crepe paper stains on their fingers, and that "sophomore spirit" in their hearts, the class of '80 gladly accepted this honor.

FRESHMEN TACKLE HIGH SCHOOL

Freshmen entered the high school game with an enthusiastic team. They came in ready for a game of challenging strategies, such as making new friends and getting involved in a wide field of activities.

The game required a team effort and there were only a few left sitting on the sidelines. Everyone pulled together and because of this, freshmen scored early with confidence in their abilities.

The Class of '81 may only have been in the first quarter, but in the end they came out victorious.

Vice President; Cindy Young, president; Janice Anderson, and secretary; Judy Murphy, go over the game plan.

Graduation is the bridge that links
Yesterday's memories with tomorrow's
dreams.

Memories of childish play—
of the smell of chalk dust—
of the noise of crowded halls.

Memories of sports events—
of the homecoming queen—
of the Senior Prom.

Memories of lessons learned and
memories of those who taught them.

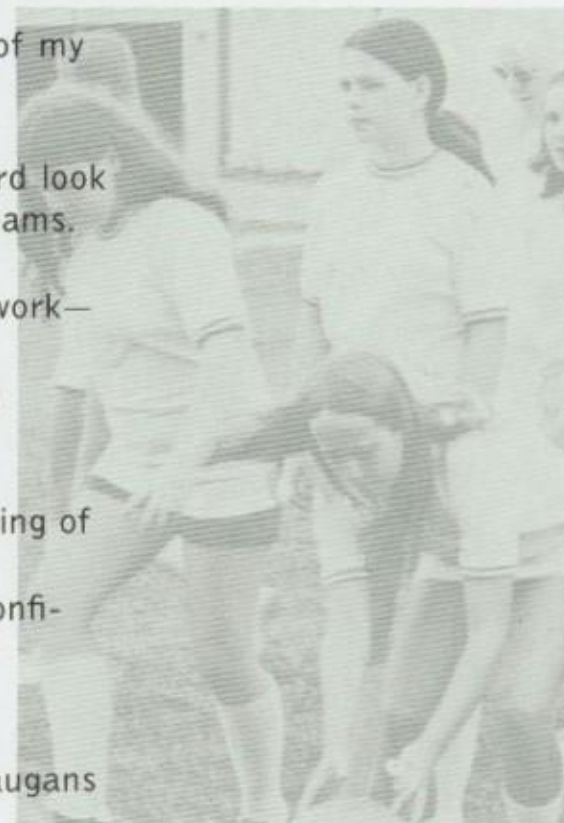

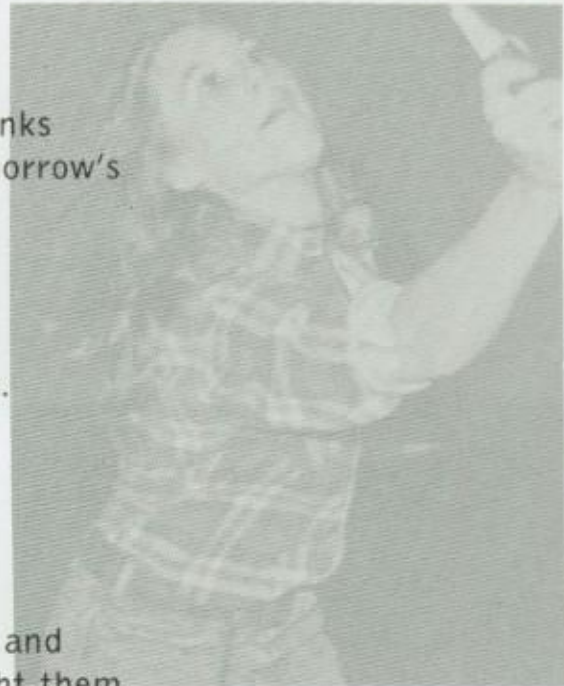

Memories of my school and of my
friends.

Yet even as I take this backward look
the future beckons with its dreams.

Dreams of my chosen life's work—
of my chance to succeed—
of my chance to help build a
better world.

And so it is a bitter sweet crossing of
this bridge
Yet I cross it gladly and run confi-
dently into
tomorrow.

Linda Maugans
